

Scent Work “Taster”

What is Scent Work?

Scent Work is a fast-growing activity that harnesses a dog's strong sense of smell to detect certain scents. It has several benefits including:

- Giving our dogs a task that will help increase their focus and confidence
- Providing our dogs with mental stimulation
- Keeping handlers and dogs of various ages and fitness levels active and engaged

What's involved?

Using the K9 Nose Work® methodology, scent work trainer, Simone Daley, will introduce handlers to some essential skills that will enable their dogs to search for target scents in various environments.

Presenter: Simone Daley
